RETREAT FOR THE HANDICAPPED

Last week the Star of the North Retreat House was temporarily converted into a hospital. The occasion was the Fifth Annual Retreat for the Handicapped. Some 40 people of various disabilities from Edmonton and district gathered for the 2 day spiritual renewal.

Marion Chomik of the University Hospital, complete with portable respirator and electric wheel chair was making his first retreat. Asked his thoughts on this special retreat he said, "Pretty good, awfully good sermons. Something to think over for the coming year."

Cileen Sigmund, a protestant making her first retreat, found the lectures very interesting. Cileen is a graduate nurse and a victim of polio. She thinks it a wonderful idea to get away and meditate on your spiritual values.

Sheila Ross of St. Albert, on her third retreat, enjoyed it so much as she can't get to church as often as she'd like. Sheila is in her 3rd year of a 4 year Arts course at the University of Alberta.

Joan Dumouchel of Edmonton, a second year retreatant, says she'll make it an annual practice. She feels it especially beneficial for shut-ins. Joan summed up the motive of the Retreat by saying, "It helps us understand what our suffering is for."

Council Meeting, Monday, September 14

Staging of Development Report: Mr. Woodroffe, of the Edmonton & District Planning Commission, presented the Disposal of Staging of Development for the Town of St. Albert to Council. Mayor Veness was still not satisfied as to why Council had to wait so long for this report and who had caused this delay.

School Sidewalks: Council decided to construct a sidewalk for the Vital Grandin School and a road and sidewalk for access to the new Albert Lacombe School. This construction will be paid out of the revenue funds of this year's budget. Councillor Fowler also moved that a sidewalk for the Sir George Simpson School be constructed in 1965, which expenditure will be brought in the 1965 budget.

Building Inspector's Report: For the month of August - 4 single dwellings. Up to date for the year 1964 - 54 single dwellings.

Petition Against Tot Lots: Mr. H. Morris spoke on behalf of the residents in the Sable Crescent area opposing the Recreation Board's decision to build a Tot Lot on Sable Crescent. He told Council that the noise, the increase of traffic, the setting up of fences, etc., would devalue the properties surrounding this tot lot, and he asked Council to seek another location. During the discussion, it

was brought up that the Superintendent of Parks, Mr. André Gato, had a completely different thought from the Recreation Board regarding tot lots. He made it quite clear that in his personal opinion tot lots are generally a waste of money and said that this has been the experience in many other towns and cities all over Canada. Councillor Stewart moved that the Recreation Board should hear the views of the Parks Superintendent and suggested that the Sable Crescent petitioners should be present during this Recreation Board meeting also.

Important Meetings of Executive Committee: Councillors Skrobot and DeBruijn were of the opinion that the Mayor's Recommendations, presented to Council at the last meeting, should be brought to the Executive Committee for discussion. This committee, which was established one year ago, in June, 1963, was, they felt, the place where the drastic recommendations of the Mayor should be studied. Councillor Wheatling said that Council had had time (about 1 week) to study the Mayor's report, and as it is now the third time he hoped that tonight this report would come under discussion. Councillor DeBruijn said that it would be unfair to decide upon these recommendations now, because the incoming Council members wouldn't have a chance to vote in this very important matter. As he said, "the new councillors could ever have a majority vote in the new Council." He pointed out that now was not the time to decide on new major policies, so close to the elections. Councillor Skrobot stated that he'd like to discuss the report point by point before he gave his opinion. Councillor Fowler wanted to see the Mayor's report in the executive committee sometime between now and the election. Councillor Stewart moved that the Mayor's Report be discussed in the Executive Committee, and after this, the committee will bring the recommendations before Council next Monday at a special meeting. The Executive Committee will consist of: the Mayor, Councillor Fowler (Technical Advisory Committee), and Councillor DeBruijn (Financial Committee). Councillor Fowler also moved that the following items should be on the agenda for this committee meeting: 1. Mayor's Report. 2. Senior Administrative Officer's Report. 3. Form of Government. 4. The Mayor's Salary.

Covered Ice Rink: Councillors Fowler and DeBruijn will go to Westlock to see

their covered ice rink in order to bring recommendations to Council for a covered ice rink for Sturgeon Heights. Councillor DeBruijn stated that approximately \$150,000. will be needed (including ice plant) to cover the rink. This is \$80,000. lower than the original figures presented to Council. At midnight Council adjourned, but will have a special meeting next Monday at 6:30 p.m. to decide definitely on the bylaws which will come for plebiscite in the coming October election, and to hear the report of the Executive Committee regarding the Mayor's recommendations.

Felicitas Gerain, organizer of the Retreat, told us of the kindness of volunteers that make the retreat possible. Six student nurses, 4 graduates, 7 volunteers, 6 helpers for mealtime and 13 drivers, all gave their time to assist in this retreat. Said one orderly helping out for the third year, "It's a privilege to work with these very special people, they give us an inspiration far more than we give them."

'65 COMMITTEE for SWIMMING POOL

A "Swimming Pool for '65" Committee has been formed in St. Albert to promote a campaign to get out the vote in support of a money Bylaw for a year 'round in-door pool for the town. Last week the Town Council gave first reading to several money Bylaws including one for \$200,280.00 for a covered 50 meter pool. It requires a 2/3 majority in this year's civic election. Chairman of this committee is Mr. Robert Russell of 37 Glenmore Crescent and he says, "We are planning a door to door

canvass in support of the swimming pool." The Committee is appealing for canvassers and Mr. Russell said that they have about 50 people who have already volunteered to ring doorbells this fall.

NOMINATION DAY

On Wednesday, September 23, from 11 a.m. to 12 noon, nominations of candidates for the offices of mayor, 3 councillors, 2 Public School Board trustees and 2 Separate School Board trustees, will be accepted at the Town Hall for the forthcoming October election.

Mayor Wm. Veress, whose time in office expires in October, could not as yet give a definite answer as to whether he intends to run again as mayor. Councillors Lloyd Shering and Walter Shrobat, whose terms also expire, stated that they definitely will not run. Councillor Ed Powell, who resigned from Council recently, stated that he might run for mayor but that nothing was definite. Gordon Carhes, former manager of the Ice Town of St. Albert, stated positively that he will run for mayor.

There are many rumours going around town regarding many prospective candidates for the positions as Councillors. We contacted some of them who stated as follows: Dick McJee, former president of the St. Albert Chamber of Commerce, will definitely not run. George Valher, the Town's consulting engineer will definitely not run. Dr. Luis, former member of the Board of Administrators, stated, "so far, not". Denis Heffring, who ran for council last year has no intentions of running again because he is leaving St. Albert in the near future. At the moment it looks as if not many citizens are interested in running for Council, but one never knows what surprises will be unveiled on Nomination Day!

We have always suggested in the past that there should be at least one woman on Council because there are so many problems which can only be solved and understood by a woman. There are our prominent women in town who will try the October election?

On the other hand, we would be very pleased if local businessmen, who have to make their living in our town, would decide to run for one of the offices. They are the men and women who are directly involved in the economical standard and development of our town.

Don't forget next Wednesday is Nomination Day. That day could be of great importance to the future of our town!

CRAFT GUILD

OPEN HOUSE AND REGISTRATION

The St. Albert Craft Guild wishes to extend an invitation to you to attend their annual Open House from 7:30 to 8:30 on Monday, September 21st in the Community Hall. Registration for fall activities will also be taken at this time. We regret that enrolment in the following classes must be limited and urge you to register early: Copper Enameling classes will commence Monday September 28. Mrs. Ev Grant will be instructing. Ceramics will commence Thursday September 24. We are very fortunate in having Mr. Fred Owen back again with us for this term. Mr. Owen has been studying and instructing in Ceramics for a good number of years. This fall he will also be teaching at the University.

If there is any particular activity you are interested in, please feel free to come and discuss it with us. If there is enough interest we shall do our best to provide it for you. For further information, or if you are unable to register at this time, phone W. Ford at 593-6517 or E. Wilson 593-7452.

There will be a general meeting at 9 pm after Open House. Elections will be held.

Young Teens Creative Class

Any young person, 10 years and up, who is interested in doing Ceramics and Needlecraft after school Wednesdays or Fridays starting at 4:15, are also invited to register at this time. The Needlecraft consists of picture-making - applique of material on material with decorative embroidery. An example will be on display at the hall.

HERCULES

The executive of the Hercules Sports Club is negotiating with various leaders in different types of sports in our town to find a way to bring all junior sports into one strong St. Albert Sports Club. At a later date the setup of this organization will be published in the Gazette, but in the meantime, anyone who is interested in well organized junior sports for St. Albert, please phone 593-7187.

ST. ALBERT BRIDGE CLUB

The St. Albert Bridge Club started their fall activities last Sunday evening at 7:30 at the Community Hall. During the summer months they played Tuesday's and had an unexpected good attendance. The St. Albert Bridge Club is open to everyone who is interested in increasing their skill and enjoyment with a good game of duplicate bridge. On the club programme are many interesting events, such as: Open Pairs, Men's, Ladies' Pairs, Team of Four Championship, the well known Alberta Pioneer Bridge Tournament, and many other games against Westlock and Edmonton.

Anyone who wishes to join the club, please phone 593-7187. There are many bridge clubs scattered all over town, and the St. Albert Bridge Club executive invites these clubs to come any Sunday night for an evening of free play to learn about duplicate bridge. The results of last Sunday's game are as follows:
